Acts Chapter One

- 1-14: (What does it mean “show himself alive after his passions”? ) The people come and assemble together and they are commanded to not depart from Jerusalem, and wait for the promise of the Father. The people then ask the Lord if he will restore again the kingdom to Israel and the Lord says that they know not the season or the time when it will happen. There will be a witness of the kingdom coming back throughout all the land. Then they all show Him taken up unto heaven and then they went unto the mount called Olivet and prayer with one accord.

- 15-25: Peter stands and tells everyone that this scripture must needs have been fulfilled. Then he purchased a field with the reward of iniquity (Was this still Peter or was this another man?) and then fell and all his bowels gushed out. His property was later known as the field of blood. (Who are these men that are being talked about in verse 21?) All the same men where together from the beginning from the baptism of John to the same day that he was taken up.

Acts Chapter Two

- 1-13: The day of Pentecost came and everything was good until a might wind came rushing from heaven and it looked like it was cloven tongues on fire. They were filled with the Holy Ghost and began to speak with other tongues. When others heard this noise they came to see what it was because every tongue was speaking a different language. They were amazed but also in doubt because they did not understand what was happening, they all thought they were drunk (Was this just a lot of tongues that just appeared and started speaking? That’s kind of weird)

- 14-36: Peter then clarified that they were not drunk because the people were seeing it too. The Joel gets up and says that God said that “I will pour out of my Spirit upon all flesh...” and says that all the sons and daughters will prophesy, and the young men shall have visions and the old will dream. And that the servants and handmaids will prophesy. The wonders of Heaven shall be shown. The sun will be turned to darkness and the moon into bolos before the great and noble day that the Lord will come. David speaks and says that the Lord is “always before my face”, and is always on his right hand and will always help. He then tells that Christ is dead and that his sepulcher is with s unto this day. He then goes on to say that Christ spirit was not left in hell, but it was raised up unto Heaven. (What does verse 35 have to do with anything?)

- 37-40: After the Lord pricked them in the hearts; Peter asked the rest what they should do. He then said that they need to repent and be baptized in the name of Jesus Christ for the remission of their sins to receive the Holy Ghost.

- 41-47: The people did what they were told and where baptized. And they were steadfast in the apostles’ doctrine. And then fear came upon them because many of the signs were done by the apostle. And then they gathered together and stole their possessions (Who’s possessions did they steal?) They continued to pray and break bread and praising God. The Lord added to the church daily so it would be saved
